Re: Daniel Michael Crane

To whom it may concern:

It is with great pleasure to express my admiration of one of the finest performers who graced our stage at Metropolitan Room. Daniel Michael Crane has performed at Metropolitan Room several times and with each of his performance, the room turned absolutely still with each of our audience members listening with great intensity, not to miss a single note. He is extraordinarily talented and is poised and confident on stage. Above all, Daniel Michael Crane is a gentleman of the highest level and is a pleasure to work with.

It is with immense pleasure that I recommend Daniel Michael Crane to any venue seeking a true professional and incredible performer to entertain their guests.

Sincerely,
